

October 15, 2024

Dear Valued Patient,

Thank you for choosing UT Health Austin's Post-COVID-19 Program for your care. As a patient of we want to let you know that as of November 15, 2024, Aaron Braverman, LCSW, will no longer be providing care within our clinic.

We remain committed to providing you high quality, team-based care from our team of skilled clinical social workers. If you are currently under the care of Mr. Braverman there is nothing you need to do; our team will reach out to you and make the arrangements that best meet your needs.

If you choose to seek behavioral health care elsewhere, please call us at 1-833-UT-CARES (1-833-882-2737), to request an authorization form to transfer your medical records to your new behavioral health provider. You may also choose to download the Release of Information form at uthealthaustin.org by select "Resources" then "Medical Records" or scan the QR code below.

We remain dedicated to providing ongoing support to help you live a healthier life and look forward to continuing your care in the Post-COVID-19 Clinic.

Sincerely,

Donna Shanor, LCSW-S, LCDC

Director, Clinical Social Work
UT Health Austin
