March 28, 2024

Dear Valued Patient,

Thank you for choosing UT Health Austin for your care. As a patient of the Multiple Sclerosis and Neuroimmunology Clinic we want to let you know that as of May 3, 2024, Benjamin Ehrenfeld, LCSW-S, will no longer be providing care within our clinic.

We remain committed to providing you high quality, team-based care from our team of skilled clinical social workers. If you are currently under the care of Mr. Ehrenfeld there is nothing you need to do; our team will reach out to you and make the arrangements that best meet your needs.

If you choose to seek medical care elsewhere, please call us at 1-833-UT-CARES (1-833-882-2737), to request an authorization form to transfer your medical records to your new provider. You may also choose to download the Release of Information form at uthealthaustin.org select "Resources" then "Medical Records".

We remain dedicated to providing ongoing support to help you live a healthier life and look forward to continuing your care in the Multiple Sclerosis and Neuroimmunology Clinic.

Sincerely,

A handwritten signature in black ink that reads "D. Shanor, LCSW-S, LCDC".

Donna Shanor, LCSW-S, LCDC
