

August 13, 2025

Dear Valued Patient,

We hope this message finds you well. Our records indicate that you have been under the care of Dr. William Matsui and Ms. Lindsay Kozicz at the UT Health Austin Hematology Oncology Clinic. We are writing to inform you that the clinic will be discontinuing operations as of **September 30, 2025**.

As a result, Dr. Matsui and Ms. Kozicz and the clinical team will no longer be available to provide care at UT Health Austin after that date. To ensure continuity of care, Dr. Matsui will be able to see patients at the **Ascension Seton Infusion Center**, located on the **8th floor of the Health Transformation Building at 1601 Trinity Street**—directly across the hall from the current Oncology Clinic.

To schedule an appointment at the new location, please call **(512) 324-7865**. Any appointments currently scheduled at UT Health Austin after September 30 will need to be rescheduled at the Ascension Seton Infusion Center. Ascension staff will reach out to assist with scheduling and are working closely with the UT Health Austin team to ensure a smooth transition.

To transfer your medical records to Ascension Seton, please complete the enclosed **HIPAA Authorization for Release of Information** form. You may also access the form online at uthealthaustin.org/patient-resources/medical-records or scan the QR code below. Once completed, please return the form at your earliest convenience so we can release your records to you and to Ascension Seton.

Our clinical team will remain available through **September 30, 2025**, to support you during this transition and ensure your care continues without interruption. Please note that after this date, we will no longer be able to provide new prescriptions or refills. For these services, please contact the Ascension Seton Infusion Center at **(512) 324-7865**.

We are deeply grateful for the trust you have placed in us. It has been our privilege to care for you, and we are committed to making this transition as seamless and supportive as possible. If you have any questions regarding this change, please contact the UT Health Austin Oncology Clinic at **(512) 495-5300**.

Sincerely yours,

Paul S. Mueller, MD, MPH, MACP
Dr. Lowell Henry Lebermann Endowed Chair in Internal Medicine
Professor, Department of Internal Medicine
Dell Medical School at The University of Texas at Austin
