Dear Valued Patient,

Thank you for choosing UT Health Austin for your care.

We want to inform you that starting January 8, 2025, Dr. Bryanna Mantilla will no longer be providing care at our Rheumatology Clinic and Musculoskeletal Institute. If you have an appointment scheduled with Dr. Mantilla, our team will do their best to reschedule you with one of her colleagues as soon as possible. Please be aware that there might be a delay of several weeks for your new appointment as we work to bring a new physician on board. We apologize for any inconvenience this may cause.

We are committed to continuing to provide you with high-quality, personalized care. If you prefer to obtain a copy of your medical records or transfer your care to another provider, please contact us at 1-833-882-2737. We will assist you with the transfer process. You can also scan the QR code below to access our Medical Records page and download the Release of Information form. Your medical records are also available for download in the patient portal.

We appreciate your understanding and look forward to continuing to support your health and well-being.

Thank you for your trust and loyalty.

Sincerely,

Veena Patel, MD
